A and B Classes

A classes are for teams that have not yet completed their title at that level.

B classes are for teams that have already completed their title at that level.

Jump Heights

Dogs are not required to be measured the day of the trial or prior to judging. However, judges have the option of measuring any dog prior to his/her performance if the dog appears to be entered in a group lower than might be indicated by his or her registered shoulder height. Jump heights may also be modified or the jump exercise excused entirely based on physical challenges (e.g. age, disability such as blindness, or use of a mobility device) that a particular dog may face.
