FEO (For Exhibition Only) or “Try Before You Buy” Entry

Competitors with a dog not already registered with WCRL or USDAA may enter Level 1, Intro, or Veteran class “For Exhibition Only” (FEO) in one or more trials in a single event. If competitors do NOT register their dog with WCRL before the end of the event, any scores earned during that event will NOT be recorded by WCRL. To register before the end of the event, competitors must either register the dog online at www.rallydogs.com and then submit the WCRL dog registration number to the Trial Secretary before end of the event, or submit a completed “WCRL Dog and Junior Handler Registration” form with \$36 registration fee to the Trial Secretary before end of the event.

Rally Class Description

For a complete description of the Rally rules & regulations, rules of performance, scoring standards, explanation of exercises (including Primary and Secondary Elements), course design, etc., go to www.rallydogs.com and click on Official Regulations. To learn more and get new ideas, you can join the “All Dogs” Rally chat list and talk to other World Cynosport Rally Limited enthusiasts by sending a message to RallyO-All-Dogs-subscribe@yahoogroups.com.

You must be familiar with all the Rally exercise signs, as well as the Official Rules & Regulations prior to the event. Go to www.rallydogs.com for an explanation of each of the exercise signs and have fun practicing them with your dog.

A and B Classes

“A” classes are for dogs that have NOT earned the base level title for that level (i.e., RL1, RL2, RL3, RLV).

“B” classes are for dogs that have completed that base level title for that level.

Intro Class

Intro class is open to dogs 6 months or older, but dogs who have earned the RLI or RL1 or higher will be eligible for separate B class placement awards in this class. An Intro course has 10 exercise signs, including the bonus. Please see the Official Rules & Regulations for more details on Intro class, including when rewards may be given.

Veteran Class

Veteran class is open to all dogs over the age of 8; dogs 50 pounds and less than 90 pounds may enter Veteran at age 7 years, and dogs 90 pounds or more may enter at age 6 years. A Veteran course will consist of 12-13 exercise signs from any level, including a Bonus exercise from the Level 3 Bonus Exercises. In Veteran class, one Additional Cue per exercise may be given without penalty. Please see the Official Rules & Regulations for more details.

Food and Touch Rewards

Rewards of food and touch may be given in all classes following the conclusion of any stationary exercise, except when performing shared stations, in which the reward may only be given at the conclusion of the final stationary exercise of a shared station. Handler’s delivery of the reward must be completed before the team moves forward on the course to the next exercise. Use of the reward to induce a desired behavior is considered luring and is prohibited. Rewards may be given in the ring before beginning and after completion of the course performance. A handler shall not otherwise feed or touch their dog during the course performance. Please see the Official Rules & Regulations for more details on the rules for rewards.

Bonus Exercise

A Bonus is an exercise through which additional points may be earned. A bonus exercise is offered on all courses in the regular classes, and it shall be clearly marked with a “Bonus” placard. The bonus exercise shall be in course sequence, at judge’s discretion, and shall be performed in the normal flow of the timed course at handler’s option.

The following rules shall apply for all bonus exercises, whether the bonus exercise has one or two signs: If the bonus exercise is attempted, 10 bonus points are awarded, with point deductions assessed for incorrect performance of the exercise; point deductions on the bonus shall not exceed 10 points. The bonus exercise may be retried one time. If the bonus exercise results in a change of direction, the handler shall perform an additional basic turn as needed following the bonus in order to continue to the next station. If the team opts to bypass the bonus, the team shall heel by the bonus station to the next station; there is no penalty for bypassing the bonus.

Please see the Official Rules & Regulations for details on the bonus exercise, including the list of exercises from which the bonus is selected for each class.

Jump Heights

Dogs are not required to be measured the day of the trial or prior to judging. However, judges have the option to measure any dog prior to his/her performance if the dog appears to be entered in a group lower than might be indicated by his/her registered shoulder height. Jump heights may also be modified or the jump exercise excused entirely based on physical challenges (e.g. age, disability such as blindness, or use of a mobility device) that a particular dog may face.

The following table shows the recommended and minimum allowable jump heights based upon the dog's height at the withers. The selected jump height shall be indicated on the Entry Form. The "minimum allowable jump height" for each height category is the minimum height permitted without a Request for Modification being made. A handler may select a higher height at their sole discretion, but must have designated the height on the entry form.

Height at Withers	Minimum Allowable Jump Height	Recommended Jump Height
12" or less	4"	4"
16" or less	4"	8"
20" or less	8"	12"
Over 20"	12"	16"

Time Standards

Each course in all classes has a Maximum Course Time or "MCT". Should this limitation be reached, the course performance is over and the team's score will be marked zero. The following table sets forth the MCT for each class:

	Intro	Level 1	Level 2	Level 3	Veteran
MCT	3:00.00 minutes	3:00.00 minutes	3:30.00 minutes	4:00.00 minutes	4:00.00 minutes

“Welcome to Barkaritaville”

Specialty Classes (Fun Games)

We will have **four** non-titling specialty classes this weekend (two each day). Results do not count for titles, but we will award placement ribbons to the top five finishers. Specialty class will be held at the end of Trial 1 and the start of Trial 2 each day.

Game A – Saturday - Cocktails and Moonlit Nights

Tropical vacations are made for new experiences and splurging! This game will consist of visits to several tasting rooms (rally signs). “Sit” and try a margarita. “Fast forward” to a new site to try a mojito. “Walk Around” at the next site to taste a daiquiri and meet new people. This game will consist of Level 1 signs and a bonus sign at the end that may earn you a special treat!

Game B – Saturday – Don't Worry, Be Happy!

This game blends rally exercises and basic beach type games using balls and hula hoops. Dogs will be asked to move through the hoops at points on the course. At another station dogs will interact with either a ball or toy and handlers are asked to bring one with them. Exercises from levels 1 and 2 will be used to challenge teams to combine work and fun. Exercises will be scored using rally rules and dogs may be worked on or off leash.

Game C – Sunday – Let's Flamingle!

What do you get when you combine Flamingoes, rally exercises, pin-the-tail on the Flamingo, and dog tricks? A zany Flamingle, that's what. Dogs will perform a stay walk around exercise where the handler will leave the dog on a stay while the handler attempts to pin the tail on the flamingo. Once the flamingo is pinned the handler will return to dog thus completing the stay exercise. While visiting the pool the handler will have their dog perform a trick of their choice. Once completed the handler may choose a flamingo from the pool and check the bottom of the flamingo to learn their point reward for the trick. Exercises from levels 1 and 2 will be used to complete this course. Dogs may run on or off leash.

Game D – Sunday – Mahalo Island Vacation

Take a summer vacation to a beautiful tropical island where you and your furry travel companion will have the opportunity to travel through a Level 1 set of tourist destinations. Lay “down” on the beach-both of you if you want! Take a “Serpentine” stroll through a rainforest. For the adventurous among you, take an extra excursion to see a volcano. But be careful! You may have to “Back up” to avoid the lava!

The form must be submitted to the judge prior to the start of the class, and the modified performance shall approximate as closely as possible the original course and its exercises.
