## WCRL Social Distancing & COVID-19 Safety Measures

We are pleased to offer an opportunity for competitors and others to get out and enjoy events with their dogs. So that we do not risk any setbacks that may impact future events, please join us in following safe practices recommended by the U.S. Center for Disease Control and other State and local health agencies:

- Maintain social distancing (of both you and your dog) from others to the extent possible
- Wear a mask in confined spaces where social distancing is not possible (e.g., briefings, walk-throughs, walkways, restrooms, parking lots, and vending areas)
- Be aware of items that you touch that may have been touched by others (e.g., wear gloves if you are touching things that are touched by others)
- Avoid touching your face
- Wash your hands often with soap and water and/or use hand sanitizers (gels, wipes, etc.); please bring your own to assure availability
- Bring your own food and refreshments, if allowed

This is not a complete list. Please visit the Center for Disease Control website or other State and local health agencies for guidance, as measures may vary by geographic region.

To contribute to this effort, please bring your own sanitizers, gloves, masks, food, and beverage to assure availability. Please be accepting of changes from past practices as we seek new ways keep everyone safe as possible. We are doing our best to address specific measures that we could put in place to promote safety during this event, including, but not limited to, change in ring operation procedures, and prepping volunteers, judges, and staff in safe practices.

While we hope that the environment for public gatherings continues to improve, BE AWARE that safety measures could change and additional measures imposed at any time. Watch your entry confirmation prior to arrival at the event, as we cannot be responsible due to changes beyond our control in this fluid situation.

By all means, if you have been exposed to anyone that may have been exposed or infected with a virus or flu within two weeks prior to the event, or if you are feeling ill, please self-isolate and stay home, knowing that we will happily welcome you at a future trial.

Additional health and/or safety measures may be required by the facility owner at which this event is being held, or by the Event Organizer. Such statements may be included in this premium, in the event confirmation, or posted on site at Check-In for this event. Failure to comply with these requirements, as well as other provisions in this premium are subject to WCRL disciplinary action as described in Appendix C to the WCRL Official Regulations, which could result in dismissal from the event and/or cancellation of all results from performance at the event, without recourse.

## Coronavirus Safety Protocols

### For the

### October 2020 Crossroads Canine Club WCRL Rally Trial

After careful consideration of mandated legal requirements set forth by the State of Ohio and Montgomery County, Crossroads Canine Club has determined adopt the following safety precautions:

- Trial is limited to 50 crates (each dog is assumed to have a crate);
- Available crating spots will be marked on the floor, 6 feet apart;
- Groups travelling together may choose to crate with one other, but do so at their own risk with the understanding that CCC has informed them that it counters their policy;
- Masks are required for ALL people in the building- masks ARE REQUIRED to be worn in the ring per the City of Dayton and Montgomery County mandates. They must be worn above the nose and snugly fitted to avoid gaps. They may only be removed for eating. If a mask falls out of its secure position during a run, the handler will be stopped and instructed to replace the mask (no time adjustments will be made);
- You must bring your own mask- they will not be provided;
- If you have a documented medical ailment that prevents wearing a mask, please reach out to the CCC Trial Committee to determine a possible alternative solution;
- Competing teams ONLY. NO spectators. Exception will be made for Junior handler teams, which may have up to 2 parents/guardians with them;
- No lunch will be provided- please bring your own or step out to use area restaurants;
- Social Distancing of 6 feet must be maintained at all times: entering and exiting the building, crating area and parking area;
- The bathroom doors will be propped open to avoid touching handles- please “wipe down/disinfect” handles as you leave the sink area. Only 2 people are allowed in the bathroom at one time;
- The number of handlers on the course for the walk-throughs will be determined at the Trial;
- Run orders will be posted at the Trial. Every attempt will be made to separate runs if you have more than one dog in the class. If I miss it, just let us know so we can change the run order.
- Stay safe and have fun!

Refunds will be given if a Trial withdrawal is due to handler’s need to self-quarantine due to coronavirus exposure.

## **Rally Class Description**

For a complete description of the Rally rules & regulations, rules of performance, scoring standards, explanation of exercises (including Primary and Secondary Elements), course design, etc., go to [www.rallydogs.com](http://www.rallydogs.com) and click on Official Regulations. To learn more and get new ideas, you can join the "All Dogs" Rally chat list and talk to other World Cynosport Rally Limited enthusiasts by sending a message to [RallyO-All-Dogs-subscribe@yahoogroups.com](mailto:RallyO-All-Dogs-subscribe@yahoogroups.com).

You must be familiar with all the Rally exercise signs, as well as the Official Rules & Regulations prior to the event. Go to [www.rallydogs.com](http://www.rallydogs.com) for an explanation of each of the exercise signs and have fun practicing them with your dog.

### **A and B Classes**

"A" classes are for dogs that have NOT earned the base level title for that level (i.e., RL1, RL2, RL3, RLV).

"B" classes are for dogs that have completed that base level title for that level.

### **Intro Class**

Intro class is open to dogs 6 months or older, but dogs who have earned the RLI or RL1 or higher are not eligible for placement awards, if offered, in this class. There is no separation of Intro class into A and B classes. An Intro course has 10 exercise signs, including the bonus. Please see the Official Rules & Regulations for more details on Intro class, including when rewards may be given.

### **Veteran Class**

Veteran class is open to all dogs over the age of 8; dogs 50 pounds and less than 90 pounds may enter Veteran at age 7 years, and dogs 90 pounds or more may enter at age 6 years. A Veteran course will consist of 12-13 exercise signs from any level, including a Bonus exercise from the Level 3 Bonus Exercises. In Veteran class, one Additional Cue per exercise may be given without penalty. Please see the Official Rules & Regulations for more details.

### **Food and Touch Rewards**

Rewards of food and touch may be given in all classes following the conclusion of any stationary exercise, except when performing shared stations, in which the reward may only be given at the conclusion of the final stationary exercise of a shared station. Handler's delivery of the reward must be completed before the team moves forward on the course to the next exercise. Use of the reward to induce a desired behavior is considered luring and is prohibited. Rewards may be given in the ring before beginning and after completion of the course performance. A handler shall not otherwise feed or touch their dog during the course performance. Please see the Official Rules & Regulations for more details on the rules for rewards.

### **Bonus Exercise**

A Bonus is an exercise through which additional points may be earned. A bonus exercise is offered on all courses in the regular classes, and it shall be clearly marked with a "Bonus" placard. The bonus exercise shall be in course sequence, at judge's discretion, and shall be performed in the normal flow of the timed course at handler's option.

The following rules shall apply for all bonus exercises, whether the bonus exercise has one or two signs: If the bonus exercise is attempted, 10 bonus points are awarded, with point deductions assessed for incorrect performance of the exercise; point deductions on the bonus shall not exceed 10 points. The bonus exercise may be retried one time. If the bonus exercise results in a change of direction, the handler shall perform an additional basic turn as needed following the bonus in order to continue to the next station. If the team opts to bypass the bonus, the team shall heel by the bonus station to the next station; there is no penalty for bypassing the bonus.

Please see the Official Rules & Regulations for details on the bonus exercise, including the list of exercises from which the bonus is selected for each class.

### **Jump Heights**

Dogs are not required to be measured the day of the trial or prior to judging. However, judges have the option to measure any dog prior to his/her performance if the dog appears to be entered in a group lower than might be indicated by his/her registered shoulder height. Jump heights may also be modified or the jump exercise excused entirely based on physical challenges (e.g. age, disability such as blindness, or use of a mobility device) that a particular dog may face.

The following table shows the recommended and minimum allowable jump heights based upon the dog's height at the withers. The selected jump height shall be indicated on the Entry Form. The "minimum allowable jump height" for each height category is the minimum height permitted without a Request for Modification being made. A handler may select a higher height at their sole discretion, but must have designated the height on the entry form.

<b>Height at Withers</b>	<b>Minimum Allowable Jump Height</b>	<b>Recommended Jump Height</b>
12" or less	4"	4"
16" or less	4"	8"
20" or less	8"	12"
Over 20"	12"	16"

Written request for refund must be made to the Trial Secretary BEFORE the end of the event. Please provide documentation from your veterinarian/physician. Payment of entry fees and service charges shall be made in cash or money order within 30 days of postmark of notice of returned check where notification is received after event date. Any unpaid fees or shortfalls must be paid prior to the start of the event or entry is cancelled without recourse by owner/handler.

- All handlers through entry at this event hereby release WCRL, the hosting club, their representatives, agents, and assigns from any claim or cause of action for invasion of the rights of privacy, right of personality, or any similar right.
- Handlers shall have the right to videotape portions of this event for their personal use only. No portion of this event may be videotaped for commercial or other purposes without the express written consent of World Cynosport Rally Limited.
- Upon successful completion of a Stationary exercise, the owner may choose to briefly pet or touch the dog as a reward. The owner may also choose to give the dog food as a reward. Food may NOT be used as a lure to help the dog complete an exercise. Food rewards must be contained in pockets and only be present in the owner's hand at the completion of any Stationary exercise. Any petting, touching, or feeding that significantly interrupts the flow of performance shall be scored accordingly. Rewards may be given in the ring before beginning and after completion of the course performance. See the Official Rules & Regulations for more details, including rewarding in Shared Stations.
- Dogs must remain under control at all times whether on or off leash while on trial site grounds. Day kenneling only is permitted.
- Please pick up after your dog and yourself.
